

April 19, 2022

Dear Parents and Juniors,

The 2022 Golf Season is finally about to start despite a very cool and rainy month of April. Our professional staff has been busy preparing a fantastic lesson program and couldn't be more excited to begin!

This year's program includes the PGA Jr. League, Junior Academies, and High School Academy. In addition, there are five new classes (2 - adult and 3 - junior). Please see the attachment for all the info.

- 1) **Futures Jr. Academy:** This class begins the journey of learning the game for juniors between 5 to 7 year olds. Utilizing the SNAG Golf Teaching Platform and transitioning into actual clubs.
- 2) **Junior Prep Academy:** Juniors entering middle and high school (13 - 17 year olds), who have limited knowledge and experience in golf will enjoy this class. It focuses on overall game improvement and giving juniors the tools to prepare to play at the high school level.
- 3) **Drive, Chip & Putt Prep Clinic:** A "free" one-day class on Sunday, June 5th for Bull Valley Golf Club juniors (7 - 14 years old), provides the opportunity to prepare for a local qualifier. ALL participating juniors **must** be registered and participating in either the Boone Creek (June 8th) or Randall Oaks (July 21) qualifiers (www.drivechipandputt.com). To sign-up for this clinic, please contact Curt Peterson via email at (cpeterson@bullvalleygolfclub.com).
- 4) **Ladies Summer Clinics:** This social and fun clinic provides ladies the opportunity to receive a 30-minute group lesson, play up to three holes of golf on the course, and socialize in the bar following play.
- 5) **Parent Clinics:** Instead of dropping off your junior for lessons and heading home, stay at Bull Valley and participate in this clinic. Open to both Golf & Social Members only, these classes run parallel to the junior classes on Wednesdays.

Registration has already begun for the PGA Jr. League online (www.pgajrleague.com). For all other classes, please either contact the Golf Shop (815-337-4460) or email me at cpeterson@bullvalleygolfclub.com.

If you have any questions or concerns, do not hesitate to contact the Golf Shop.

We look forward to a fantastic lesson program season.

All the best,

Curt Peterson
